RE: HB 4135

Dear Representative Heise,

On February 20, 2015 our Association reviewed HB 4135 and voted to oppose the bill. The Association had concerns about the mandatory revocation of HYTA. One of our Associations core principles is preserve judicial discretion and unfortunately that provision would run afoul of that principle.

We would be happy to discuss these concerns with you at your convenience.

Thank you for listening to our concerns and we look forward to working with you this session.

Yours truly,

Beth Ann Gibson
92nd District Court Judge
Legislative Co-Chair
